(a) Unladen vehicle

Vehicle with loaded suspension, with 365/85 R20 tires, optional equipment and partially laden condition.

All dimensions are in millimetres.

**Please note:** This brochure has been compiled to provide a general indication of some of the key features of your new Mercedes-Benz truck. Changes may have been made to the product since this brochure went to press (May 2018). Daimler Truck and Bus Australia Pacific Pty Ltd (DTB) reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of DTB, can be deemed reasonable with respect to the purchaser. The illustrations may show accessories and items of special equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process.

Additionally, some models, features, special equipment and/or colours may only be available in combination with others. For current and more specific information in relation to the range of models, features, special equipment and/or colours available and their pricing, you should contact your nearest authorised Mercedes-Benz truck dealer.
